

## 2024 Family Handbook – RHAC

Welcome to KT OOSH Services!

We highly recommend that you read through this handbook in its entirety as it aims to assist families with any day-to-day procedural questions regarding the service, including some important policies and procedures.

It is important that families are aware of their responsibilities throughout the term of their enrolment by understanding the company Policies and Procedures. This in turn will assist in establishing an effective relationship between families and the service. A full version of ALL company Policies and Procedures is located at the centre in the sign in area for families to access at any time. Each Policy and Procedure is reviewed regularly of which parent are invited to give their input via a monthly mail chimp email sent by KT OOSH Services.

During the online enrolment process you will be required to acknowledge that you have read and understand this Family Handbook.

If you have any further questions or queries, please email [rhac@ktoosh.com.au](mailto:rhac@ktoosh.com.au). Please note that we will endeavour to reply within 48 hours, excluding weekends, shut down periods & public holidays.

2. When guardians fail to notify the service that their child/ren requires a casual/emergency AM care position, PM care position or VC Care position prior to the child arriving at the service.

# Fee Policies

The fee structure of the Service includes the following and is increased annually:

A \$300.00 Family Bond (refundable) is **only payable** per family if their child uses the service **for casual or vacation care bookings only**. This Bond payment is payable via Direct Debit at the time of processing prior to the child's acceptance to joining KT OOSH Services. If at any time a permanent booking is changed to a casual booking the \$300.00 Family Bond will be required to keep your account open for casual Care usage.

The Family Bond is fully refundable when 2 weeks written notice (via email) is received that the child/ren no longer requires the use of the service. If two weeks' notice is not given, then permanent fees will continue to accrue until notice of cancellation is received in writing to the administration team via email. From the point of notification 2 weeks' worth of permanent fees remains payable. If attending vacation care only, then the \$300 bond is directly refunded provided there are no outstanding monies owing. Refunds are processed within 4 weeks of cancellation of care. This allows for any CCS adjustments.

Non-Notification Fees as at the current fee schedule will be charged per child to your account if any of the following three incidences occur:

4. When guardians do not inform the service directly that their child/ren will NOT be attending a previously booked or confirmed AM session, PM session or VC session with the service.
5. When guardians fail to notify the service that their child/ren requires a casual/emergency AM care position, PM care position or VC Care position prior to the child arriving at the service.
6. When guardians fail to contact the service and advise that pick up will occur after the service closure time. This is important, as management may need to arrange someone to remain on site after closing until the child is collected.

CRN Update Administration Fee of \$25.00 will be charged if after 2 weeks it is found that we have been given the incorrect CRN number and a new formal enrolment needs to be completed to link Child Care Subsidy System. This also applies if the incorrect parent has been linked to a CRN in the enrolment process which highlights this parent as being the main CCS entitled parent.

Sign In/Out Administration Fee of \$25.00 will be charged if a parent has forgotten to sign their child either in or out each session to follow up and support families to ensure that they receive their entitlements. All parents are made aware on acceptance of the CCS benefit that this is a legal requirement by them to sign their children in and out each time that they use the Service.

Late collection Fees at a rate of \$15.00 per child/5-minute increments that a child remains on site after the official Centre's closing time. If a guardian is running late, then they MUST contact the Centre to advise. This will give reassurance that a nominated authorised person is on their way. Failure to do so or if the Centre must contact the guardian, then this will result in a non-notification fee being charged as per the current non-notification rates per child in addition to the late collection fee. If continued lateness occurs, then KT OOSH Services reserves the right to terminate care. It is important to respect that KT OOSH Services Educators have families and commitments after closing hours.

Re-Issuing of financial statements \$5.00 per request will be charged to any family each time that they request to have a copy of their statement re-issued to them. Statements are emailed directly to the parent each fortnight in electronic form and should be kept in safe keeping for their end of year financial commitments for any benefit that they receive from the Government.

KT OOSH Services uses a program called Qikkids to manage their bookings and charges. This is a government approved system that links directly to Centrelink's Child Care Subsidy System.

Childcare services use the Child Care Subsidy System to record a child's enrolment and attendance information. This information is reported to Centrelink and used to calculate the childcare allowance to be paid to the service.

Basic requirements that must be satisfied for an individual to be eligible to receive Child Care Subsidy for a child include:

1. The age of the child (must be 13 years or under and not attending secondary school),
2. The child meeting immunisation requirements,
3. The individual, or their partners, meeting the residency requirements.

Families level of Child Care Subsidy will be determined by:

1. Combined family income,
2. Activity level of parents,
3. Type of childcare Service.

When a child is booked as attending a session with the service, that session is payable regardless of attendance or not. Fees are charged depending on the Child Care Subsidy (which replaced the Child Care Benefit and Child Care Rebate in 2018). The Child Care Subsidy will be paid directly to the Service with the balance out of pocket to be paid by the parent.

### **Payment of Fees:**

Fees are to be paid fortnightly in advance through a direct debit system and are charged at the full session rate regardless of the actual attendance hours at each session.

Fees are payable in advance for every day that a child is enrolled at the Service. This includes sick days, and family holidays but excludes periods when the Service is closed.

Permanent before and after school care fees are payable on all public holidays and teacher strike days with the following EXCEPTION:

- Permanent before and after school care fees are NOT payable on Christmas Day, Boxing Day, or New Year's Day.

Fees must be kept in advance to maintain a child's attendance schedule. If fees become overdue, then the service has the right to suspend care immediately. Should a child's attendance schedule be suspended then during the suspension period fees will continue to accrue and the child will be marked absent until the account is brought up to date or the required cancellation notification is received.

Statements of entitlement are sent fortnightly via email to your nominated email address a minimum of 24 hours prior to deduction of payment and payment is the responsibility of the nominated CRN holder or person enrolling the child/ren.

Upon receipt of your statement of entitlement, it is the customers responsibility to review all charges and if you feel an error has been made then the administration team must be notified via email within 7 days of receiving the invoice via your centre's appropriate email address.

The admin team will investigate your query and if applicable do their best to rectify the error ASAP. In some cases, this may take longer than expected. If this is the case, then the incorrect amount invoiced will be deducted from your nominated account or credit card and a credit will be applied on the following fortnightly statement of entitlement. This will be noted as the balance brought forward amount.

Debit Success is the services third party payment method. Fees are automatically deducted directly via your bank account or credit card. Surcharges apply for credit card deductions. The Debit Success run is batched and deducted Wednesday fortnightly (two days after statements of entitlements is issued via email. Deductions can take up to two days to process through accounts dependent on the financial institute you are with.

If you are attending Vacation Care, your first Direct Debit will be processed on Wednesday 3<sup>rd</sup> January 2024, with a statement being sent a minimum of 24 hours prior to processing of payment. If you are not attending January Vacation Care, then your first Direct Debit will be on Wednesday 17<sup>th</sup> January 2024, and you will receive statement of entitlement a minimum of 24 hours prior to processing of payment. Direct Debit deductions will then continue fortnightly thereafter.

#### **Late Payment/Dishonour Fees:**

Debit Success will apply dishonour fees to any failed transactions at their current dishonour rates. KT OOSH Services have no control over Debit Success dishonour fees and therefore these cannot be credited. Please contact Debit Success on 1800 148 848 for any dishonour queries.

If a payment is dishonoured/declined, then an additional late payment fee will be applied to your account at the current late payment rate by KT OOSH Services on top of any Direct Success charges on the Monday following the declined deduction and continue to apply each Monday on a weekly basis until the account is brought up to date and the outstanding amount finalised.

Vacation Care/Casual Bookings - Except for under extenuating circumstances (at the discretion of management), Vacation Care/Casual bookings that have been confirmed are also payable regardless of whether the child attends or not and no refunds, credits, swapping or changing of days will be applied or allowed due to operational requirements.

Due to current legislation, if a child does not attend on their very first day of care upon commencement with KT OOSH Services or their final day of care booked should they cancel care and the service has received their 2-week written notice to cancel their booking, the family will be charged full fees as no childcare subsidy entitlement will be paid to the Service by Centrelink as they will deem the care as not a necessity.

#### **Financial Hardship:**

If a family is having financial difficulties, then an application for special provisions should be emailed directly to [rhac@ktoosh.com.au](mailto:rhac@ktoosh.com.au) The administration team will then email you the link to apply for financial hardship benefits via Centrelink and a payment plan will be created to ensure continuity of care.

## Child Care Subsidy (CCS)

All enrolled families are required to submit their Customer Reference Number (CRN) for the primary care holder who is linked to Centrelink as well as the Customer Reference Number (CRN) number of each child enrolled. Customer Reference Numbers must be provided, regardless of your entitlements.

To get Child Care Subsidy (CCS) you must:

- care for a child 13 or younger who's not attending secondary school, unless an exemption applies.
- use an approved childcare service.
- be responsible for paying the childcare fees.
- meet residency and immunisation requirements.

**Please note:** The “Primary Parent/Guardian” listed on your enrolment form **MUST** be the parent holding the CRN that is linked to the child’s CRN. Should incorrect CRN details be provided upon enrolment and KTOOSH Services is requested the change the CRN details/submission to Centrelink, then a CRN Update Administration Charge will be charged to your account at the current rate.

## How to confirm the enrolment linkage between KT OOSH and Centrelink to gain CCS benefits:

During the enrolment process you will be required to confirm the enrolment linkage between KT OOSH and Centrelink to ensure CCS entitlements populate through to your account.

You can do this by logging into Centrelink via your **MyGov Account**. Select **Family** from the menu, followed by **Childcare** then **Enrolments**.

**Please Note:** KTOOSH Services cannot guarantee the backdating of any missed CCS entitlements.

During the enrolment process, you will be issued with a Complying Written Agreement (CWA) requiring the signature of the primary CRN holder. This is a compulsory requirement as we are an Approved Childcare Service.

Allowable Absences:

Child Care Subsidy is payable for up to 42 absence days for a child in a financial year for sessions of care a child is enrolled in and did not attend. A reason does not need to be provided for a child's initial 42 days of absence. Once 42 absence days have occurred in a financial year, Child Care Subsidy can only be paid for any additional absences where they are taken for a reason set out in Family Assistance Law.

Commencement / Cessation of Care:

If a child is booked in to start at a service on a particular date but does not attend on their first day, then NO Child Care Subsidy will be paid until the child starts physically attends. Please note Centrelink views morning and afternoon sessions separately. If you child is booked into both AM and PM sessions, they must attend their first AM session AND their first PM session.

Similarly, if a family has confirmed their child's last day at a service, but that child does not attend their last booked session of care, NO Child Care Subsidy will be paid for the final session of care and consecutive absences prior.

Ceased CCS Enrolment Due to Non-Attendance:

Under Family Assistance Law, Centrelink Enrolments Linkages will automatically end when a child does not physically attend care for 14 weeks or more.

Centrelink should advise parents when a Centrelink enrolment linkage ceases, and it is the primary CRN holders' responsibility to advise KTOOSH to reactivate the enrolment linkage.

Once KTOOSH has reactivated the enrolment linkage, families must ACCEPT and CONFIRM this. **Please note that it is not guaranteed that Centrelink will backdate any CCS entitlements.**

26 Week CCS Eligibility Rule:

A child who hasn't used create leads once in a 26-week period will no longer be eligible for CCS and their Centrelink enrolment linkage will automatically cease with KTOOSH.

Centrelink should advise parents when a Centrelink enrolment linkage ceases, and it is the primary CRN holders' responsibility to advise KTOOSH to reactivate the enrolment linkage.

Families must submit a new CCS claim via their online MyGov account for their CCS entitlements to recommence. Once KTOOSH has reactivated the enrolment linkage, families must ACCEPT and CONFIRM the linkage for their CCS entitlements to recommence. Please note that it is not guaranteed that Centrelink will backdate any CCS entitlements.

*DUE TO PRIVACY, KT OOSH HAS LIMITED ACCESS FOR ANYTHING TO DO WITH CCS ENTITLEMENTS. PLEASE CALL Family Assistance Office on 13 61 50.*

# Arrivals/Departures & Signing In/Out Process:

When arriving at the Service please bring your child to the allocated OOSH area. Under no circumstances will we accept children from the front gate, the carpark, or the outdoor play areas. This is not only unsafe but also a confusing experience for children.

Please ensure Educators knows that your child has arrived and has accepted them for care before you leave.

If your child is being collected by another adult, they must be named in your child's enrolment form as being authorised to do so. If they are not mentioned, we are by law not allowed to release your child.

Children need to be signed in upon arrival to the centre and signed out upon departure. Please refer to the correct sign in/out process below. Please be aware that if you do not sign your child in/out you will be charged a Missed Sign In/Out Charge as per the current rate.

QK Kiosk is an iPad program used to sign in and out children at KT OOSH. Each authorised contact will have a unique log in, being their mobile number, and ability to set their own pin. These pin numbers are to be kept confidential and under no circumstance should the pin be given to or used by anyone other than yourself. This system is for Authorised Contacts and Educators only, under no circumstance is a child to use this program, e.g., signing themselves in. Breaching any of these conditions will prompt a pin reset and may result in immediate termination of care. Please see an educator if you wish to reset your pin. You are also not to give your pin to another person to collect your child. Each authorised collection person will be issued with their own unique pin to use while collecting and dropping off your child at the service. Please ensure all authorised persons to collect have been updated/listed as contacts on the "My Family Lounge" portal.

## AM Sessions Sign in Process:

Upon arrival at the Centre, it is the parents' responsibility to ensure their child is signed in correctly via the iPad to avoid being charged a Missed Sign In / Out Charge.

If you do not sign your child in correctly on the iPad when dropping off, Centrelink have advised that CCS may not be granted for any sessions an educator has had to sign in on behalf of an authorised collection person.

You can ensure you have done this correctly by viewing the following legend on the iPad:

Signing In – Coloured dot must change from "PURPLE" to "GREEN".

If ABSENT, please ensure you mark your child accordingly via the My Family Lounge APP on your smartphone prior to 8:25am to avoid being charged a Non-Notification Charge.

## PM Sessions Sign Out Process:

When children arrive at the Centre, an educator will sign them in via the iPad. It is the parents' responsibility to ensure their child is signed out correctly when collecting their child via the iPad to avoid being charged a Missed Sign In / Out Charge.

If you do not sign your child out correctly on the iPad when collecting, an Educator will contact you prior to closing to confirm that you have collected the child and to remind you to sign out in the future. Centrelink have advised that CCS may not be granted for any sessions an educator has had to sign out on behalf of an authorised collection person.

You can ensure you have done this correctly by viewing the following legend on the iPad:

Signing Out – Coloured dot MUST change from “GREEN to “PURPLE”.

If ABSENT, please ensure you mark your child accordingly via the My Family Lounge APP on your smartphone prior to 3:15pm to avoid being charged a Non-Notification Charge.

If a child's whereabouts cannot be ascertained, Educators conduct a search of the school grounds, before contacting the parent/guardian again. If a child can still not be located, the local police are contacted. At all times, the Centre will stay in contact with the parent/guardian.

## How do I mark my Child Absent from KTOOSH?

If your child is NOT going to attend the Service for a booked session (AM and/or PM) then you must mark them absent via the My Family Lounge Mobile APP on your smart phone.

Please ensure you frequently update your My Family Lounge APP via the APP store on your smartphone to ensure it is working correctly.

# Extra-Curricular Activities

If your child is going to attend any extra activities after school you will need to complete an Extracurricular Permission Form at the beginning of each term, giving permission for your child to leave KT OOSH and attend the extracurricular activity. This form must be signed and dated by the parent/guardian and received by the centre before permission to attend can be granted. Please visit our website to access this form under the forms tab. You will be required to keep the Service up to date with any changes to these activities.

Failure to email the completed form to your centre email 24 hours prior to the extracurricular activity will result in your child being unable to attend.

# Custody and Access

If you are experiencing problems associated with custody and access, then please discuss this with the Nominated Supervisor. Parents must notify the Service if there are any Court Orders affecting residency of their children and a copy is required for the Service.

If there is likelihood of problems associated with collection of your child, please notify any changes of Courts Orders immediately.

*Without a Court Order we cannot stop a parent collecting a child.*

# Governance

Our Service complies with the National Quality Framework (NQF) including the National Quality Standard (NQS), the My Time Our Place Learning Framework and the National Regulations (Education and Care Services National Regulations).

Services are assessed and rated by the NSW Regulatory Authority and given an overall rating based on these results.

Our Service is regulated by the national body for early education and care – the Australian Children’s Education and Care Quality Authority (ACECQA) as well as the state licensing department in NSW. To contact our Regulatory Authority, please refer to the contact details below:

## Children with Medical Diagnoses/Conditions

If a child has a diagnosed medical condition, it is the parents/guardian responsibility to disclose all relevant information to KT OOSH services upon enrolment or upon diagnoses. The service will require the following completed and supplied at the time of enrolment/upon diagnoses:

- Medication (EpiPen, Ventolin, Antihistamine, Creams)
- Action Plan completed in full, signed and dated by a doctor (Asthma, Anaphylaxis, Allergy). To meet legislative guidelines please request your medical practitioner to complete the most current version of the Action Plans which can be found on our website.
- Risk Minimisation Plan (completed in conjunction with the guardian at time of enrolment)

Medical Management Plans or Action Plans must be reviewed and completed by a medical practitioner and medication supplied must always be in date and kept with their original packaging. KT OOSH Services endeavour to remind families that their child's Medication and/or Medical Management Plan or Action Plans are due to be reviewed but ultimately this is the guardian's responsibility to monitor. Please keep a note of these important dates so you are aware when they are due.

Where a Child is enrolled at the service with an identified medical condition that requires **medication** (i.e., asthma, anaphylaxis, and allergies), they will be unable to attend the service without medication prescribed by their medical practitioner being on site. The medication must:

- Be within its use by period.
- Be prescribed by a medical practitioner.
- Be in the original packaging.
- Have a chemist printed label stating the child's name and required dosage.
- For asthma conditions a spacer MUST be supplied with the Ventolin

Medication can only be administered if the Medical Practitioner or Chemist have clearly named the child and the dosage on the label and is the same medication that has been outlined in the Medical Management or Action Plans.

Please Note: KT OOSH Services does not administer any regulated medications or Anti-biotics.

No child will be allowed to attend the service if current medical requirements are not up to date or expired. KT OOSH Services reserves the right to terminate care after a request has been made to bring these up to date due to the safety and risk involved for the child. Please note to reinstate the enrolment a General Administration Fee will be charged at the current rate.

Parents/Guardians will also be requirement to complete a yearly Risk Minimisation Plan (RMP) in consultation with your medical practitioner to ensure that we have the proper procedures in place relating to your child's condition, and to ensure that they are assessed and minimised on an ongoing basis. For further information please refer to our Medical Conditions Policy.

## Immunisation

From 1 January 2018, children who are unvaccinated due to their parent's conscientious objection can no longer be enrolled in childcare. The Public Health Act 2010 prevents NSW childcare centres from enrolling children unless approved documentation is provided that indicates that the child:

- Is fully immunised for their age
- Has a medical reason not to be vaccinated
- Is on a recognised catch-up schedule

The relevant vaccinations are those under the National Immunisation Program (NIP), which covers the vaccines usually administered before age five. These vaccinations must be recorded on the Australian Childhood Immunisation Register (ACIR).

Children with medical contraindications or natural immunity for certain diseases will continue to be exempt from the requirements.

Families eligible to receive Child Care Subsidy (CCS) and have children less than 20 years of age, who may not meet the new immunisation requirements, will be notified by Centrelink.

An updated Immunisation History Schedule can be obtained from your MyGov account.

Educators will follow the company's COVID-19 Management, First Aid Administration, Infectious Disease and Illness Policies and Procedures, which can be found in our Policies and Procedures located in the sign in area of the service. In the event of a serious illness (one that requires further medical attention), the child's parents/guardians will be contacted and informed that they need to collect the child within 30---minutes of the initial phone call. Should the illness/injury be significant and require ambulance attention, the ambulance will be called prior to the guardian being informed and any charges from NSW ambulance will be liable and payable by the family. If a child is suspected of having a contagious illness, educators will isolate the child and parents must collect within 30---minutes of the initial phone call.

## Paracetamol & Ventolin Policy

KT OOSH Services maintains the right to administer Paracetamol or Ventolin to any child in attendance at the service if it is deemed necessary.

If your child shows any signs and symptoms of suffering from a high fever, general illness, or asthma attack whilst at KT OOSH Services educators will make every attempt to contact parent/guardian and discuss First Aid treatment given to assist the child. If educators cannot contact parents and it is deemed necessary, educators may administer non-prescription medication, being Children's Liquid Panadol (1 – 5 or 5 - 12yrs) or Ventolin only. Educators will administer if consent has been given on the child's enrolment form. **IMPORTANT:** Panadol and Ventolin will only be administered to a child if Staff deem it to be necessary. Staff have the right to refuse to administer Panadol and Ventolin if they do not feel that it is in the best interests of a child. Staff will not be administering Panadol or Ventolin on a regular long-term basis. If a child does require Panadol or Ventolin at regular intervals throughout a session, then it is advised the child not to attend the service during this time. A note from the child's medical practitioner will be required if a guardian wishes to request Panadol or Ventolin be administered on a regular basis. If staff suspect guardians are not acting in the best interests of the child's health and wellbeing staff will contact DECS immediately to report.

# Behaviour Guidance

Educators follow a Behaviour Management Policy that extends across the whole Service giving consistency of expectation of KT OOSH and the School.. This policy allows children to develop self-discipline, a respect for others, for property and respect for self, whilst learning to regulate their behaviour.

The school rules are also incorporated into the daily program to ensure that children always have a clear understanding of expectations while on the school grounds. If you require further information on this policy, please ask Educators and refer to the Policy manual.

KT OOSH Services is committed to providing an environment free from bullying for all children, families, visitors, educators, and the wider community. Please refer to the Enrolment Form Terms and Conditions.

## Behaviour Policy

KT OOSH provides “positive guidance” to children to assist them in developing skills and understandings to participate fully in the experiences and opportunities within the Services’ program. The Service is dedicated to the sensitive management of children’s behavioral interactions, through co-operation, encouragement, and self-discipline skills.

We aim to create positive relationships with children making them feel safe, secure, and supported within our Service. We will ensure children are treated with respect, consistency, fairly and equitably as they are supported to develop the skills and knowledge required to behave in a socially and culturally acceptable manner. Supporting children to develop socially acceptable behaviour is a primary goal for educators and families. This is embedded in fundamental documents including the My Time Our Place (MTO), The Education and Care Services National Regulations and the National Quality Standard (NQS).

At KT OOSH Services, we consider the following to be forms of unacceptable behaviour:

- Harming another child, Educators, another parent, or visitor physically
- Violent, aggressive, or harmful behaviour
- Aggressive language
- Destruction, damage or vandalism of KT OOSH or the School’s property, equipment, or furniture.
- Bullying – please refer to the “Bullying” policy.
- Running away or hiding from Educators

Please understand that if your child does display any of the unacceptable behaviours mentioned above that for the safety of your child, other children and our educators that you will be contacted and required to collect your child immediately. A Behaviour Incident Report will be completed and ready for you to sign on collection. If more than one behaviour incident report is completed, we will work with our family to implement a Behaviour Support Plan to develop supportive strategies with the family and any external agencies where required.

Where a child destructs, damages, or vandalises either KT OOSH or the School’s property, equipment, or furniture the family will be responsible for reimbursement in full of the damage to the school and/or KT OOSH Services.

### **Suspension of care:**

If a child behaves in a way that poses a risk of harm to themselves, other children, educators or visitors at

the Centre, management reserve the right to issue a suspension of care for period of up to one week.

#### **Termination of care:**

Termination of care is the last step that KT OOSH Services will implement.

- Step 1: The behaviour policy has been followed and the parents were notified that this is the first formal warning via a phone call and/or an email outlining the incident that occurred and the action that will be taken regarding the individual child. If the parent/guardian would like to request a formal meeting at this stage, they can email KT OOSH Services to organise a suitable time.
- Step 2: The behaviour policy has been followed and the parents were notified that this is the second and final warning towards termination of care and again documented via email at the conclusion of the meeting.
- Step 3: On the third instance Termination of care is effective immediately.

*NOTE: Depending on the severity of the incidents that have occurred will be dependent on the time frame between each warning being issued but not being less than one week between warnings.*

## Educational Program

We are committed to provide a program that caters for each child's individual needs, abilities and interest that is developed in partnership with the children and families. We encourage children to be responsible for their own learning through choices in experiences and interests through conversations and play as the basis for teaching. We encourage children in promoting their independence and self-help skills and involving the children in interest-based projects.

KT OOSH Services are committed to protecting our environment to ensure a sustainable future for our children. We actively participate in caring for our environment and promote sustainable practices through educating our program.

KT OOSH Services uses a secure online programming system that Educators will use to upload pictures and observations about the program. You will be given access once enrolled and given an individually allocated Username and Password. Please refer to the Enrolment Form Terms and Conditions.

Children and Educators will wear hats and appropriate clothing when outside. Educators will encourage children, including by way of modelling behaviour, to avoid exposure to the sun. SPF 50+ will be applied during the session according to the manufacturer's recommendations. We ask that children come to the Service with sunscreen already applied so they can participate in outdoor activities immediately. Please see Enrolment Form Terms and Conditions.

Whilst in care, children will also be required to abide by our NO HAT NO PLAY policy. If a child does not have a hat at the service, then one will be issued with a laundry cost of \$2.00.

KT OOSH Services value children and family input and encourages family and community involvement. The Centre has a Quality Improvement Plan that is kept onsite at the Service and asks all families to work in partnership with the Service to participate. The Quality Improvement Plan assesses and plans for improvements in the future.

The Services Policies and Procedures regularly come up for review and again will encourage family and community involvement during this process.

# Menu

KT OOSH Services provide all meals to the children.

Our menu is developed in consultation with industry professionals. Our rotating menu is displayed in the Centre as well as posted on our Facebook page weekly.

Children with food allergies or special dietary cultural requirements are catered for. Also, if your child has a special consideration that does not allow them to eat certain foods due to dietary, cultural, or religious reason we will also make sure that they are catered for.

The meals are designed not only to be nutritious, but also to offer new tastes and textures so that eating can be an educational and a cultural experience. Menus can be viewed in the Centre Sign In area & on the Centre Facebook page.

The menu undergoes seasonal changes and may change due to COVID-19 restrictions as outlined in our COVID-19 Risk Assessment/Action Plan. Families are invited to give feedback and comments if you have any ideas or suggestions for the menus to [rhac@ktoosh.com.au](mailto:rhac@ktoosh.com.au)

## Emergency Evacuation/Lock Down

Both procedures have been developed following the assessment of the likely risk to the health and safety of the children, Educators, and visitors and in line with what the school already have in practice, to avoid any confusion. The Centre practices these quarterly.
